## How to Create New Member Account

These are the steps for creating a new account/household in the Demosphere system that can be shared with you members to help guide them through the process:

1. Initial screen when your members click on the public registration link (e.g. yourdomain.demosphere-secure.com/\_registration). Returning members will login with their previously established credentials or by logging in with their Facebook or Google account. New members will click "Create New User Account":
